CHAT BRIDGE

Chat Bridge is a fun way to practice and improve your bridge game and meet new people. The first half hour consists of a lesson, then we play some hands that emphasize the lesson. We also play some hands that were played in a prior duplicate game so you can see what other partnerships have done with the same hands. See schedule below for times. A session lasts about 2½ hours. The cost is \$7.00.

*While you play, you are encouraged to ask questions about the bidding and play (hence the name **Chat Bridge**). Competent teachers will be standing by to help you. Players at all levels can benefit from Chat Bridge! Come alone, with a partner, or with a group.*

Schedule for Chat Bridge:

Saturday, 10:00 AM – includes a ½ Hour “mini-lesson”
